SEPTEMBER 2013

## COST SHARE SIGN-UP

The Linn County Soil & Water Conservation District will be holding cost-share sign-up for fiscal year 2015. Sign-up will be held October 1st thru October 25th. If you have signed up the last three years and did not receive cost-share assistance, you will automatically be placed at the beginning of the assistance list. We will send a letter to these landowners. **If you receive a letter, you must still come in and sign up.**

Just a reminder that if a landowner received cost share assistance this fiscal year (July 1, 2012-June 30th, 2013) you will not be allowed to sign up this coming year.

If you are unable to be present for sign-up, you may designate someone to sign you up by completing an Authority to Represent form. These forms are available in the office and must be filled out prior to sign up. No fax or phone in applications will be allowed for sign up.

This is 75% cost share assistance with the maximums being \$15,000.00 for terraces, \$10,000.00 for ponds, \$5,000 for other practices with the exception of the \$20.00 per acre limits for nutrient/pest management.

Landowners who have had a practice staked out for cost share assistance and back out, will be ineligible to sign up for cost share assistance for three years following the cancellation. All cost share practices will be surveyed and staked out one time by District personnel at no cost to the landowner. If the landowner does not maintain the survey and staking flags, the landowner must make arrangements through a private contractor to meet the design criteria if cost-share for the practice is desired.

If you have any questions, please call our office at (660)258-5732.

### Office Location

121 Pershing Road  
Brookfield, MO 64628
