September 2014

COST SHARE SIGN-UP

The Linn County Soil & Water Conservation District will be holding its annual cost share sign up October 1st through October 24th, 2014 at our office located at 121 Pershing Road, Brookfield. This sign-up is for fiscal year 2016 which runs from July 1st, 2015 through June 30th, 2016. No fax or phone ins will be allowed for sign up. If you are unable to be present for sign-up, you may designate someone to sign you up by completing a Landowner Authorization form. These forms are available in the office and must be filled out prior to sign up. You may also visit our website at <http://www.swcd.mo.gov/linn> to print the Landowner Authorization form.

If you have signed up the last three years and did not receive cost-share assistance, you will automatically be placed at the beginning of the assistance list. We will send a letter to these landowners. ***If you receive a letter, you must still come in and sign up.***

Just a reminder that if a landowner receives cost share assistance this fiscal year (July 1, 2014-June 30th, 2015) you will not be allowed to sign up this coming year.

This is 75% cost share assistance with the maximums being \$15,000 for terraces, \$10,000 for ponds and other maximums vary depending on the practice.

Landowners who have had a practice staked out for cost share assistance and back out, will be ineligible to sign up for cost share assistance for three years following the cancellation. Also, all cost share practices will be surveyed and staked out one time by District personnel at no cost to the landowner. If the landowner does not maintain the survey and staking flags, the landowner must make arrangements through a private contractor to meet the design criteria if cost-share for the practice is desired.

If you have any questions, please call our office at (660)258-5732.

REMINDER: ANYONE THAT HAS AN EQUIP CONTRACT AND PLANS TO CONSTRUCT TERRACES THIS FALL WILL NEED TO CONTACT THE NRCS OFFICE (AS SOON AS CROPS ARE HARVESTED) TO SCHEDULE A LAYOUT DATE. AS IN THE PAST SURVEY AND DESIGN WORK WILL BE ON A FIRST COME FIRST SERVED BASIS.
