MEMORANDUM

2021-011

DATE: February 15, 2021

TO: All Soil and Water Conservation Districts

FROM: Kurt Boeckmann, Director *KPB*
Soil and Water Conservation Program

SUBJECT: Cooperator Authorization Form
Pest Management Check Sheet

The Soil and Water Conservation Program has created two new cost share forms. These forms will combine the Landowner Authorization form and the Operator Authorization form into a single page document and replace the current Pest Management Check Sheet. The new Cooperator Authorization form was created to simplify the process of documenting legal landowner and operator information for cost-share contracts. The Pest Management Check Sheet was revised in order to reduce confusion about how to properly complete the form. Both forms are attached for your reference. These forms must be used for all cost share contracts as of the date of this memo.

A Webinar training will be scheduled in the near future to provide additional information on these forms. If you have questions regarding these forms prior to the training, please contact your district coordinator. Thank you.
