MEMORANDUM
2025-003

DATE July 31, 2024
TO: All Soil and Water Conservation Districts
FROM: Jim Plassmeyer, Director 
SUBJECT: N312 Dairy, Poultry and Swine Practice Limit Increase

The Soil and Water Conservation Districts Commission, at their June 12, 2024 meeting, approved to increase the lifetime maximum on the N312 Animal Waste practices for Dairy, Poultry and Swine. This brings all N312 Animal Waste practices to a lifetime maximum of \$100,000. The increase is eligible for new contracts beginning July 1, 2024.

The cost-share handbook will be updated to reflect the policy change.

Please contact your district coordinator with any questions.

Thank you.
