# Footprints in the Grass

## January

- Get fields in shape for overseeding legumes by grazing to within two inches or less.
- Inventory feed supplies and utilize stockpiled forage to the best advantage
- Review grazing system and make needed changes for improvements

## February

- Start over-seeding of legumes on pastures. Continue to graze or feed hay in order to tread-in seed.
- Install changes needed in grazing system.
- Attend Spring Forage Conference and other soils and crops meetings to stay on top of technology.

## March

- Apply fertilizer to cool season pastures
- Finish over-seeding legumes.
- Continue to graze over-seeded pastures for grass growth control.
- Consider the addition of magnesium to mineral mixes to offset possible grass tetany.
- Apply lime according to soil test. Lime can be applied any time of the year.

## District Spotlight

Paul Heithold is currently serving as chairman of our board. Paul has served on the Dent County Board for a total of 25 years.

Paul's knowledge and support have been a great asset to our District. Paul has a broad knowledge of the programs available in our District and is willing to talk to landowners in our area and share the benefits of the programs offered. Paul also makes it a point to attend workshops and events in our area in an effort to continue learning and be involved in the community.

Paul's farm is a display of his family's hard work and dedication. Beyond the investments into the land, Paul can be seen pouring into the younger generation. Working to pass on a legacy, caring for the land and putting in an honest day's work. We are beyond thankful to have Paul Heithold as a Supervisor.

## Quick and Easy Chili Recipe

This easy chili recipe has been a tried-and-true favorite for decades. Make this quick chili recipe stand out by piling on extra cheese, onions, and sour cream.      Prep Time: 15 mins

Cook Time: 20 mins    Servings: 4

By Sheryl Geerts

**Ingredients**

- 1lb. lean ground beef
- ½ cup chopped green sweet pepper (1 small)
- ½ cup chopped onion (1 medium)
- 4 cloves garlic, minced
- 1(15-oz.) can tomato sauce
- 1(15-oz.) can red kidney beans, undrained
- 1(14.5-oz.) can diced tomatoes, undrained
- 2 to 3 tsp. chili powder
- 1/2 tsp. salt
- 1/2 tsp. dried basil, crushed
- 1/4 tsp. ground black pepper
- Shredded cheddar cheese (optional)
- Chopped onion (optional)
- Dairy sour cream (optional)
- Crushed red pepper (optional)

**Step 1** In a 3-quart saucepan cook and stir ground beef, sweet pepper, ½ cup chopped onion, and the garlic over medium heat until meat is brown and onion is tender. Drain fat.

**Step 2** Stir in tomato sauce, undrained beans, undrained tomatoes, chili powder, salt, basil, and black pepper. Bring to boiling; reduce heat. Simmer, covered, for 20 minutes.

**Step 3** To serve, ladle chili into bowls. If desired, top each serving with cheese, chopped onion, and/or sour cream and pass crushed red pepper. Makes 4 main-dish servings.

## A Tour of Missouri Agriculture

Spend the day with Missouri farmers Diane, Scott and Skippy.

- Join Diane as she starts her day bright and early in the field.
- Later that morning, Diane and Scott work in their high tunnel picking vegetables to sell at their local farmers market.
- In the afternoon, Scott attends the county fair to celebrate the hard work of a youth animal project, while Diane brings the cows in from the pasture.
- Diane spends that late afternoon planting native flowers that support pollinator habitat.
- Diane and Scott enjoy the evening at a local corn maze.

Stay Tuned for more with Diane, Scott and Skippy
