

Sherry Cox –

Sherry Cox is running for election to the Board of Supervisors for the Moniteau County Soil & Water Conservation District, candidate for territory 4 – Moreau/Willow Fork.

Sherry graduated from Tipton High School and always wanted to live on a farm, so when she married her husband Paul at a young age, they worked together to fulfill that goal – first with livestock and later incorporating crops. Sherry has worn many, many hats throughout the years – 4H Leader; Boy & Girl Scout Leader; and Sunday School, Bible School & Youth Choir Leader along with raising 4 children. She has also been on the Moniteau Extension Council and the Moniteau County 4H Council.

Currently, Sherry helps her son Joey and her grandson James with all decisions concerning the farm and hosts a Sunday morning radio show on KRLL.

Supervisors of the district administer district policies and programs, district personnel and cost-share funding for the county thru funding made available by the one-tenth-of-one-percent parks, soils and water sales tax. During fiscal year 2025, the Moniteau County SWCD provided \$332,583.35 of cost-share funds to 68 landowners to assist with installing agriculture erosion control and water quality practices.
