Plantings**

Installation

**Maximum cost
share of \$50,000
per landowner
per fiscal year.**

Bollinger County Soil & Water Conservation District

406 East Main Street
Marble Hill, MO 63764
573-238-2671 EX3
Beth Eeftink, SWCD Manager
Megan Baker, SWCD Technician

The landowner hires a private engineer to design and oversee the project. Cost-share assistance will be provided for the engineering assistance, but not to exceed \$5,000. Any amount paid for engineering will be included in the \$50,000 maximum.

Responsibilities of Landowner:

- * Contact the District to discuss possible cost-share.
- * After discussion with SWCD, hire an engineer and pay for design plans.
- * Deliver plans to SWCD
- * SWCD will develop a contract.
- * After contract approval hire contractor to install practice.
- * Receive cost-share assistance payment upon installation of practice certified as completed by engineer.
